## *2016 Holy Child Spirit Honoree*

### ALEXANDRA HELLMUTH

A 2006 graduate of Oak Knoll School of the Holy Child in Summit, NJ, Alex is passionate about the opportunity for the private sector to bring business solutions to challenges of poverty, economic development, and gender equality. After studying abroad in East Africa as an undergraduate at the University of Notre Dame, Alex pursued a career in advocacy.

Alex worked for three years at Enough Project, a program dedicated to ending genocide and crimes against humanity in Central and East Africa. As the Assistant Campaign Manager for Raise Hope for Congo, Alex developed campaigns targeting the electronics industry about conflicts arising from the mining of minerals. From 2014-2015, Alex spent the year in Ghana as a Princeton in Africa Fellow with Olam International. There she worked to develop strategies that deliver mutual value for companies and farmers through farmer training programs, education campaigns on gender equality and child labor, and opportunities for partnerships with development organizations.

Alex is currently enrolled in the MBA program at Yale University and will join the Boston Consulting Group after graduation in May 2016. Alex exemplifies the Holy Child tradition of service by using her gifts to address systemic causes of injustice.

## A LOVE FULL OF ACTION

*Thanks to You!*

The Sisters of the Holy Child Jesus extend heartfelt thanks to you for your support of our Eighth Annual Holy Child Awards Dinner. With you by our side, we are able to sustain our mission to “help people believe that God lives and acts in them and in our world, and to rejoice in God’s presence.” Together we are empowering people to reach their full potential through educational, social justice, and spiritual and healing ministries.

The ministries in our American Province serve children and their families in three countries –the United States, the Dominican Republic, and Chile. These ministries are led by dedicated women and men who are inspired by the spirit of Cornelia Connelly.

Thank you for your support this evening. You not only honor our awardees, Meg and Tom Healey and Alexandra Hellmuth, but you also enable us to continue our financial support of vital ministries. All proceeds from this Dinner will directly benefit these ministries.

## Cornelia Connelly Center for Education | New York, NY

Founded in 1993, Cornelia Connelly Center (CCC) champions girls at risk, empowering them to realize their full potential from middle school through college and beyond.

CCC embraces each child entering the program, walking with her on a thirteen-year journey of growth in mind, heart, and spirit. The Middle School fosters skills, resilience and compassion in students in fourth through eighth grades.

The School's innovative, holistic Graduate Support Program supports high school success and college completion for the alumnae. These lasting relationships create an inspiring network of support that strengthens CCC, its alumnae and the community. At Cornelia Connelly Center, a young woman learns to shine – transforming her life and the world.

## Cristo Rey New York High School | New York, NY

Founded in 2004, Cristo Rey New York High School (CRNYHS) is a Catholic, co-educational, college-prep school. A member school of the Cristo Rey Network, CRNYHS is a collaborative project of lay men and women, the Sisters of the Holy Child Jesus, the De La Salle Christian Brothers, and the New York Province of the Jesuits. The School serves students of all faiths who have demonstrated the potential and motivation to achieve success and who do not have the educational background or financial means to attend another private, college-prep school.

Guided by the spirit of care for the individual – *cura personalis* – CRNYHS challenges students with a rigorous academic curriculum and a demanding work-internship program. CRNYHS's ultimate goal is that its students will graduate from college and become professionals for others, transforming the world for the good of their families and society.

## *Holy Child Ministries in New York & New Jersey*

### *Dalton Center for Mission | Rye, NY*

Dalton Center for Mission was established in 1976 as the cross-cultural mission office of the American Province of the Society of the Holy Child Jesus. The Center assisted with the Sisters' preparation for ministry in Ghana, Nigeria, Chile, and the Dominican Republic. The office also helped to meet the Sisters' needs while abroad and with re-orientation programs once they returned.

The Sisters' global experiences of the Church were then shared with students in schools through mission outreach programs and in parishes through mission appeals. A close collaboration with the Society for the Propagation of the Faith Offices across the country has enabled the Holy Child Sisters during these past forty years to share a vision of God's Kingdom throughout the world.

### *Holy Child Academy | Old Westbury, NY*

Founded in 1959, Holy Child Academy is an independent, private, co-educational Catholic day school educating students from preschool age through eighth grade. Guided by a team of skilled creative educators, the students receive a foundation for future success at the high school level and beyond.

Holy Child Academy's curriculum focuses on the whole child and fosters a careful balance of intellectual, spiritual, physical, and emotional development. At every grade level, Holy Child Academy is a place where a young person's best qualities can flourish and where he or she can attain personal excellence while growing within the community.

The student body, along with their families, experience academic programs that encourage excellence, a strong faith commitment, respect and reverence for each person, freedom of expression through the arts, a competitive athletic program, and active involvement in campus ministry that expands their understanding of the global world in which they live.

## *School of the Holy Child | Rye, NY*

School of the Holy Child, established in 1904, is the only all-girls, Catholic, independent, college-preparatory school in Westchester County that provides an advanced, individualized education for fifth through twelfth grades. Holy Child challenges young women to pursue academic excellence and to find joy in learning.

Holy Child is widely recognized as being a leader in educating and mentoring students to become women of conscience and action. The faculty and staff work collaboratively with students and families to ensure each student is known and valued, and her academic and individual goals are supported. At Holy Child, every student is empowered to use knowledge, confidence, collaboration, vision and character to become her best self within the classroom and beyond.
