

LIVING the INCARNATION

“Born of Water & the Spirit” by Ebele Onochie, SHCJ

RE-SOURCE #1 — February 2 – May 27, 2023

Over the years, my understanding of the Incarnation has been “the Word was made flesh and dwelt among us,” that is, the coming to earth of Our Lord Jesus Christ.

Now my deep understanding is that Incarnation is life; it is being; it is presence. Therefore, I feel more connected to the word, Incarnation.

Our mission statement speaks best to me of Incarnation, hence of our Incarnational spirituality. When we live to the fullest, when we are truly alive and active, when we are living transparently and joyfully — an all inclusive life — it is the God who lives in us and who is acting in us that is being manifest in our lives, and how sweet and attractive such a life is to all who encounter it. It is uplifting, it gives hope and it is a joy to behold! This, to me, is Incarnation — living out the breath of God which has been in me since the moment **I was born of water and of the Spirit.**

ECHOES

“Oneness with God”

Felicia Eziobi, SHCJ

He lives in us,
To continue His work
In our world.
We reflect God's glory
Through words and actions.

We find God most,
In relationships.
Through service,
We spread love around.

Incarnation, the strong bond.

true to
self,
humble,
alert to
others’
needs &
simple”
