

INCARNATION IS A MYSTERY

by Lelia Duru, SHCJ

Incarnation is a MYSTERY

A mystery of Christian call

A CALL to live in the spiritual and material

The spiritual and material call to be a witness

A WITNESS that Christ may be made known

To be made known to those in darkness

To be made known to those yet to see the light

THE LIGHT THAT CHRIST IS

That Christ is HUMAN

That Christ is DIVINE

That CHRIST lived with us

That Christ is the EARTH and its fullness

That we might live fully humanly

That we may experience God's CREATIVITY

God's creativity that is endless

The endlessness of God's JOY

That we may know that GOD LIVES and ACTS in our world.

The WORLD God made that was and is still

VERY GOOD.
